VOL. LXXXII. NUMBER 23

DEDICATION SERVICES at St. Stephen Lutheran Church will be held Sunday starting at 9:30 a.m. and again at 3 p.m. The public is invited to the church on Rte. 59 at Hillside Ave.

St. Stephen Lutheran Church Schedules Dedication Sunday

Dedication of the new St. Stephen Lutheran Church, Hillside Ave. at Rte. 59 on Sunday, Dec. 3, will come just short of three years from the time of the first church service on Dec. 6, 1964.

The two part dedication ceremony will begin at 9:30 a.m. with the Service of Dedication and the Community Service of Praise and Open House will be held from 3 p.m. to 5 p.m.

Dr. Robert J. Marshall, President of the Illinois Synod, Lutheran Church in America, will offer the sermon during the Service of Dedication, and The Rev. Lavern C. Anderson, Board of American Missions, Lutheran Church in America, will give the address of greeting.

The Rev. Wilton J. Anderson, pastor of the new church, will be the liturgist for the dedication.

Other participants in the morning ceremony will be Mrs. Lawanna Jones, organist and director of the senior choir; Mrs. Wilton Anderson, director of the children's choir; John Pedersen, Acolyte.

The Rev. John Freed, pastor of the Shepherd of the Lakes Lutheran Church, Grayslake, will deliver the sermon during the Community Service of Praise which will follow a reception after the morning service.

Another reception will be held after the Community Service.

Special dates to be commemorated during the service are Dec. 6, 1964, First Service; April 6, 1965, Charter Sunday; May 2, 1965, Organization Day; Oct. 1965, Purchase of Church Site; April 16, 1967, Groundbreaking; Sept. 10, 1967, Laying Cornerstone; Dec. 3, 1967, Dedication.

Services by St. Stephen church were held in Antioch High School prior to construction of the new house of worship and meetings and other parish activities were held in the Community Room at the Antioch Savings and Loan Association.

The public is invited to the services and the receptions.

Award To Antioch For Patriotism

The Village of Antioch was presented with an award for patriotic activities by the U. S. Air Force at Tuesday night's meeting of the Village Board.

Mayor Raymond Toft accepted the award from Sgt. Sam Childers of the U. S. Air Force Recruiting Service in Waukegan. Sgt. Childers said he was presenting the award in recognition of the things Antioch has done for the boys in Viet Nam. Sgt. Childers said, "We are all proud of the men who are over there. The boys from Antioch have much to be thankful for, because they are from Antioch."

The citation reads: "The Village of Antioch is hereby commended in recognition of their consistent and devoted service in assisting the U. S. Air Force Recruiting Service and in appreciation of conscientious efforts towards the advancement of peace through air power."

"Harold E. Davis, 'Capt., U.S.A.F. 'Commander'"

The award will hang in the Antioch Village Hall.

Reject Second Bid For Beer License

The Antioch village board again failed to reach agreement on the issuance of a Class G (beer license) for the Payless Grocery Store, scheduled to open soon on Lake St.

Trustee Richard Radke asked the board to reconsider their decision not to issue the Class G. Liquor license made at the previous board meeting. Radke reminded the board that at that time

they had considered taking a census to see if the population had exceeded 3,000.

The Antioch Liquor license ordinance limits the beer licenses (Class G) to one for each 3,000 inhabitants. This is the type of license requested by Busch and Adams for their new store.

At the last meeting, Attorney Edward Jacobs said he interpreted the ordinance to mean that if the census showed a population of 3,001, the board could issue a second beer license. The board rejected a motion to take the census.

Radke said that re-reading the ordinance carefully, with Jacobs' interpretation, the Jewel Tea Co. would now be entitled to a liquor license for which they had applied about a year ago. The ordinance limits the Class B, or liquor licenses, to one for each 800 residents. Three are now held in the village, by the A&P Store, by Foremost Liquors, and by the Antioch IGA.

With only three liquor licenses now held in the village, Radke pointed out, and a population of 2,778, the requirement for an additional liquor license was fully met. The Jewel Tea, he said, could be given the liquor license they desire, and the beer license they now hold could go to the new store.

Attorney Jacobs said he was uncertain as to the exact interpretation that should be given the word "each" in the ordinance ("one license for each 800 persons"). He asked for time to study the ordinance.

Bowling Event Huge Success

According to Postmaster Joe Wolf, the 1c Bowling Special last Sunday at the Antioch Bowl, for Project Viet Nam was a big success. People of all ages—from tots to grandparents, jammed the bowling alley—and when it was all over, Project Viet Nam had cleared \$201 on this event, thanks to the Antioch Bowl and the many people who came out and made the event such a huge success.

The highlight of the afternoon was the appearance of Johnny King and Paul Krumske, two of TV's bowling "greats." They spent four hours at the bowling alley, mingling with the people, and giving helpful pointers on bowling problems.

King and Krumske were impressed with the huge turnout and made the remark that "it just goes to show you that America is behind her boys in Viet Nam."

Donations from the following have been received:

Clarence Shultis, Dr. G. W. Jensen, Grass Lake Cub Scout Pack 80, Pickard China, Mrs. Robert Hart, Mrs. Peter Yasz, Art Andersen, Mr. and Mrs. Les Palmer, Mr. and Mrs. Eugene Simonsen, Mr. and Mrs. William Carrick, Mr. and Mrs. George Palaske, Charmglow, Patsy's Lounge, Lillian H. Gartley, Mrs. Hollem, Mrs. Rose Masopust, Project Viet Nam Bowling, Antioch Bowl.

Viet Nam Vet Home For Xmas

Thomas Griffin, Rt. 1, Indian Point, home from Viet Nam.

Thomas Griffin, of Rt. 1, Indian Point, returned home from Viet Nam Nov. 25. He was there for one year and had been stationed at Cam Rahn Bay.

Tom was very enthusiastic and appreciative of the packages sent by the Antioch Viet Nam Project and said, "The soup is especially needed now, because it is the rainy season and quite cold." reason he's still like to be in Viet Nam is to receive the Christmas package which the project is planning to send.

"As far as I know," Tom remarked, "Antioch is the only town that sends packages like this. Mail is the most important thing any serviceman gets, even more important than pay."

While in Viet Nam, Tom saw Tom Furlan, who has also returned home from Viet Nam.

Tom is happy to be back home, with his folks, Mr. and Mrs. Thomas Griffin, and hopes all the men over there will return safely. After the first of the year he will be stationed in Virginia.

Post Office Worker Shows Improvement

Steady improvement is reported in the condition of Harry Brehen, Antioch Post Office Department employee, who was taken to Victory Memorial Hospital, Waukegan, Nov. 17, after a heart attack.

Brehen, who has been active in the post office program to send gifts to servicemen in Viet Nam, expects to be back to help in the big load of mail being prepared for overseas shipment.

Cards may be sent to Brehen in care of Room 394, Victory Memorial Hospital, Waukegan.

Answering Service Has New Owner

Antioch's Answering Service will have a new owner, beginning January 2, 1968.

Due to illness, Vivian Ma-plethorpe has sold the business to Barbara Dicmer, 665 Lake St., Antioch.

Vivian started the business in 1952 with 2 phones. Now 16 years later she has 80 phones, employs 3 girls and offers an important communications service to the Antioch area. The people who have been helped—and the lives saved through this service would fill many a book. Her customers include business men, doctors, the Fire Department, Antioch Rescue Squad and the Police. Vivian has no immediate plans for the future other than to rest and enjoy her well earned leisure time.

Former Police Chief Suffers Heart Attack

The Antioch Rescue Squad rushed one of its former members, Walter Scott, to Victory Memorial Hospital Sunday. Scott suffered a heart attack and is in intensive care.

Walter Scott is the husband of Ruth Scott, who is also in the hospital, critically ill since last May. They have one daughter, Nancy, a student at the University of Illinois.

Scott has probably contributed more to the village of Antioch than any one person. For over 15 years he served as Chief of Police; he was a trustee on the Village Board, and served as Superintendent of Water. He was a member of the Antioch Rescue Squad and the Antioch Lions Club.

MYF Plans Xmas Party

The MYF is making plans for a Christmas party to be held December 23.

They are also working on a "Goodies" booth for the Antioch Methodist Church's annual Christmas bazaar, on Dec. 17. All proceeds go to the Lake Bluff Children's Home and other charities.

Antioch Legion Presents Flags To Area Schools

American Legion Post 748 is nearing the end of its flag presentations. It has purchased a flag for each school in Antioch Township.

Flags were presented to St. Peter's School, Grass Lake School, Channel Lake, Antioch Grade School, and Oakland School.

A flag will be presented to Emmons School at the Dec. 5 P.T.A. meeting. A flag will also be given to Antioch High School at a later date.

Legionnaires making the flag presentations included: Senior Vice Commander Bernard DeVries, Service Officer Al Swenson; Chaplain Alex Hoffman, Adjutant Ed Frazier, Past Commander Jack Horan, Past Commander David Kuiken and Commander Stadick.

Santa Comes To Antioch

Santa Claus arrived in Antioch via helicopter at exactly 10:30 a.m. last Saturday. On hand to greet the jolly old fellow was a crowd of some 500 parents and children.

The excitement was intense, as Santa's little friends first spotted the helicopter in the sky. They were ready with their Christmas lists when he arrived, and he presented his fans with candy canes.

About 100 youngsters were lucky enough to have their names drawn and were given a free helicopter ride. All in all the morning was an exciting one for everybody.

Select Pat Kennedy For College Honor

Milwaukee, Wis.—Pat Kennedy, 549 Lake St., has been named one of thirty-nine Marquette University students who will be listed in the 1967 edition of WHO'S WHO in American Colleges and Universities.

Miss Kennedy, a senior in the school of speech, was selected by the Marquette University student senate from more than 150 applicants. The appointees were chosen on the basis of scholarship, participation and leadership in university activities, and individual service to their schools.

Forgels to Mention Air Force Promotion

To John Patterson, 20 year old Air Force mechanic at Blen Hoa in Viet Nam, his promotion to Airman First Class wasn't worth mentioning.

But to his mother, Mrs. Anita Patterson, of Orchard Rd., Antioch, anything concerning her son is important. That's why she noticed the small change in the return address on a recent letter from her son. In a subsequent exchange she learned of the promotion.

Patterson, a 1965 graduate of Antioch High School, enlisted in the Air Force in December, 1966, and has been in Viet Nam attached to a Crash Recovery Unit since July.

Harold Gaston presents check for \$400.00 to Olive Hallwas, of the V.F.W. and other members of the Project Viet Nam committee. Others in the picture, from left to right, include Pearl Anderson, American Legion; Myra Randall, V.F.W.; Postmaster Joe Wolf; Olive Hallwas; Earl Walters of the Post Office; Dorothy Horan, American Legion; and Harold Gaston of the Antioch News. The \$400.00 was raised from the sale of Project Viet Nam Christmas labels.

Paul Krumske, Jack Sampayo, Ann Schamberger, Postmaster Joe Wolf and Johnny King are mighty happy with the success of the big bowling event, for Project Viet Nam.

Principal Forgets Principles

Perhaps it was missed, but we have been waiting to hear what if any disciplinary action will be taken against the Chicago high school principal who arbitrarily raised a student-athlete's failing mark so he could play in an important high school football game.

Chicago school authorities wasted no time in punishing the youth, who was unaware of the principal's gratuitous action; the football coach, and, indeed, the entire school by ordering forfeiture of a key game and knocking the team out of a spot in the championship game.

The principal defended his action by saying he was afraid a failing grade would cause the boy to become a "drop-out." Would the same solicitude be shown to another student who lacked the athletic ability of this young player? Possibly, but not likely.

It seems to us that athletic coaches and school officials owe it to the boys who put in long hard hours practicing for school teams to make sure the players maintain better than average grades, not just grades high enough to insure their eligibility.

Too often a boy whose only hope of going to college rests on his athletic ability is cheated out of that chance because his grades are too low to gain him admission to a reputable college.

Scandals such as that which rocked the University of Illinois last year too often have their roots in the high schools where winning the game is more important than the character benefits that can be developed.

High school athletics can be good for a student, the school and, indeed for the entire community, and certainly it is more fun to support a winning team than a loser.

And victory is important for it is victory that makes the necessary sacrifice worthwhile, but victory purchased by discarding principle is shabby and meaningless.

Courthouse Notebook

By Lou Durkin

An interesting battle is developing over the appointment of a successor to Robert Post, as the Executive Director of the Lake County Safety Commission.

Post was recently appointed to the office of Executive Director of the Lake County Crime Commission, a position formerly held by Robert Fishel.

The Safety Commission post pays \$7,500 a year and is a county office whereas funds for support of the Crime Commission come and the Commission has no official standing.

The Safety Commission has been beset with difficulties off and on since its inception and most of the trouble has come with the appointment of the director.

There is some agitation among county board members to do away with the commission or at least the paid director, but it is expected that a successor to Post will be appointed.

Post was appointed to the position after former Sheriff Charles Larson told commission members and county board members that he could not conscientiously handle the duties of that office along with those of Sheriff.

No longer burdened with the duties of sheriff and not exactly ecstatic at being appointed Magistrate Court Bailiff by Sheriff Harold Scheskie, his successor, Larson is reportedly interested in the Safety Commission post.

As a former Sheriff the Antioch resident still carries some political clout and can probably muster considerable support among county board members.

The Safety Commission director can garner considerable newspaper space and radio time which would come in handy for anyone wishing to make a comeback in politics.

Voters in the December 16 special election to select a Junior College Board of Education may think they have encountered another at-large election for State Representative.

The ballot will carry the names of 41 candidates for the seven member board which will have the unenviable task of electing a site, organizing a faculty, and constructing classrooms.

The election will be county-wide except for the Gold Coast area which feel the children from those areas must be protected from contact with the peasants from the lakes areas and the industrial towns of the county.

Your Congressman Reports....

By Cong. Robert McClure

The problems of immigration and of foreign refugees continue to be of major concern of the United States Congress. The primary jurisdiction over these subjects is in the House Judiciary Committee on which this Member is privileged to serve. A meeting of United States and European officials relating to European immigration is currently taking place in Geneva, Switzerland; a meeting at which this Member hopes to be present if the Washington legislative schedule permits. Other members of the Committee, including Congressman Emanuel Celler of New York, Chairman of the House Judiciary Committee are also expected to participate.

A primary objective of the conference will be to encourage settlement of European refugees and emigrants in Western Hemisphere countries other than the United States. The meeting may also consider the augmented refugee problem created by the war in the Middle East.

It was hoped that the Immigration Act of 1955 would have resolved many of the immigration problems and inequities which developed under the earlier quota program. However, the new Act does not seem to be meeting the aims of its sponsors. The 1965 Act, which replaced the old quota system, basing quotas on the existing ratio of immigrants as of 1924, was intended primarily to evaluate prospective immigrants on the basis of their skills and their value to the American economy. The new law also favors admission of children, brothers and sisters, and other close relatives of American citizens.

While the new law has increased immigration from Italy, Greece and other parts of Southern European countries.

Irish immigration appears to have suffered markedly under the application of the new law. More than 5,000 Irish citizens immigrated in 1965, but the American Irish Immigration Committee contends that only 400 Irishmen will be eligible to enter the United States as immigrants in 1966.

Since the principal basis for future approval of immigration is supposed to be the technical and professional skills possessed by the immigrants, it is embarrassing to the Irish to be charged with the possession of fewer skills than others seeking to forswear allegiance to their homelands.

However, there may be other causes for reducing the number of Irish immigrants including the expansion of industrial activity in the Emerald Isle and the reluctance of some Irish to enter the United States with the prospect of being drafted for service in Vietnam.

Several measures are pending in the Congress seeking to eliminate defects in the 1965 Act. These are expected to come before the House Judiciary Committee prior to July 1, 1968, when the new law becomes operative.

While the refugee problem to be discussed at the Geneva Conference is becoming increasingly acute, it is doubtful that the Congress would support the opening of our doors to Eastern European, Asian and African refugees as has been done with more than 100,000 Cubans who have resettled here since Castro came to power.

The war against crime appears to be making slow progress, if measured by action taken in the United States Congress.

While the U. S. House and Senate have been debating the issue of crime in America, the Federal Bureau of Investigation has reported a 17 per cent increase in serious crimes for the first six months in 1967—over the same period in 1966. In Washington, D. C., the increase was 2½ times the na-

Dear Sir:

The bankrupt United Nations was never more irresponsible than when it voted sanctions against Rhodesia, in direct violation of the U. N. charter. It is to the shame of the U.S. that our representative supported this unholy resolution. That the sanctions have failed is evidenced by the demands from the African dictatorships and Communist satellites for military action to bring down Ian Smith.

Rhodesia's 1967 gross national product will exceed that of 1966 and may equal the record 1965 figure.

Old age pensions are increased 7½%, retroactive to July.

Imports are up 20% from 1966.

Industrial production is up 5% from 1966.

Retail trade is up 10% and wholesale trade by 22%.

Tourist trade is up 11%.

Mineral production is up 11%.

Mineral production is up 2%.

Building plans for 1967 double the previous year and exceed the totals for 1963 and 1964 combined.

The feasibility of military action against the white dominated Republics of Africa has been studied by the U.N. with the help of U. S. intelligence. Should such rash action ever be undertaken, Viet Nam notwithstanding, where will the U. S. stand?

Our puerile attempts to mellow the communist determination to destroy every free government on the globe, only postpones and

national rate. This startling statistic induces many explanations. However, it cannot be said in this instance that crime results from poverty since our nation's capital has the highest per capita income in any large American city.

The House-passed anti-riot bill and even the flag desecration bill appear to be stalled in the Senate, with far too little interest shown by the Attorney General and the President for these vital measures.

Without fanfare or headlines the Congress recently passed a significant piece of anticrime legislation, described generally as the "Obstruction of Criminal Investigations" bill. This measure (S. 676) makes it a federal offense to threaten, intimidate, or bribe a witness to a criminal investigation, and subjects violators to stiff fines and imprisonment. The new law is aimed primarily at members of the organized crime syndicate who have thwarted numerous criminal investigations by bribing, intimidating, kidnapping and even murdering witnesses to the investigation. While it is already an offense to attack witnesses when an actual trial is in progress, the new law covers the investigative process which must be undertaken before a criminal proceeding can be instituted.

In enacting this legislation, the Federal Government has followed the lead of several of the states which have already provided similar statutes relating to offenses committed within their borders.

As the Report of the House Judiciary Committee points out, the real need for this legislation is in preparing cases for trial "in the field of organized crime and racketeering." In cases of that type, "witnesses consistently refuse to cooperate" because of threats or other kinds of intimidations directed at them or their families.

The ability of organized crime to impose silence on its members and thereby protect both the leaders and the membership is the primary source of its power and influence.

The enactment of S. 676 should enable this stranglehold of the organized criminal to be broken. Thus, a new weapon in the war against crime is forged. However, much more must be done by the Congress and by the law enforcement agencies before any real progress against crime and its by-products can be realized.

Burp! Too Much Turkey!

After a week of turkey, turkey soup, turkey a la king, turkey casserole and turkey sandwiches, I'm glad Thanksgiving comes only once a year!

Among some of our Antioch people to go out of town over the holiday were our librarian Diane Busch who traveled to Missouri, and high school teacher Emory Chandler and family spent Thanksgiving with their son in St. Louis, Missouri. Miss June Zehnder also of the high school staff went all the way to Mankato, Minn., to be with her family. There were also many college students home for the holidays, and strange as it may seem, the first place they head for is their alma mater!

ACHS Presents 3 Plays Dec. 7

Three one-act plays will be presented in the ACHS auditorium Thursday evening, December 7th. Curtain time is 8 p.m. The public is invited to attend.

The opening play will be a Chinese fantasy, "The Stolen Prince" by Dan Totheroh. Its cast includes: Linda Sheehan as Long Fo, Karen Johnson as Wing Lee, Kay Kuechenmeister as the Royal Nurse, Wade Fournier as Hi Tee, Janet Polsgrove as Li Mo, Bryan Sorensen as the Stolen Prince, Bill Flanagan and Paul Yuska as Two Soldiers of the Royal Court, Keith Petersen as the Executioner, Colleen Cross as the Chorus, Don Decker as the Property Man, and Lee Ann Tanner as the Royal Bong Bearer.

Following "The Stolen Prince," Thornton Wilder's serious play, "The Long Christmas Dinner" will represent in accelerated motion ninety Christmas dinners in the household of one family. This classic play has the following cast: Chris Fournier as Lucia, Sue Stringer as Mother Bayard, Steve Strang as Roderick, Rick Stahl as Cousin Brandon, Keith Petersen as Charles, Cindy Brannon as Genevieve, Cindy Cross as the Nurse, Sunny Steidl as Leonora, Diane Polsgrove as Ermengarde, Marty Lusiak as Sam, Lee Ann Tanner as Lucia II, and Jay Horton as Roderick II.

The final play on the bill will be a "gay nineties" melodrama, "Dirty Work at the Crossroads" by Bill Johnson. Cindy Brannon will portray

the pure heroine, Nellie Lovelace. Steve Strang the noble hero, Adam Oakhart; Rick Stahl the villain, Munro Murgatroyd; Sue Stringer the notorious belle, Ida Rhinegold; Jay Horton the rustic Mookie Maguggins, Kay Kuechenmeister as the rich Mrs. Upson Asterbilt; Sunny Steidl the French maid, Fleurette; Mary DeFalco as the sweet child, Little Nell, and Cindy Cross as the character-narrator, Leonie.

ordinance, and said he would report his conclusion at the next board meeting.

APARTMENT BUILDING PERMIT

Henry Erfurth asked the board to apply money paid for building permits for two apartment houses, paid in 1964, toward the new permits.

Erfurth and his partner had secured permits to build three apartments in 1964. Only one building, the Colonial Arms, was built.

The building permit lapses unless building is started within six months and completed in two years.

Cost of the permits has risen from the \$470 paid in 1964 to a total of about \$1970 now.

Erfurth said he plans to start construction of two 12-apartment buildings immediately.

The board approved the permits, allowing credit for

Sunny Steidl as "Leonora" and Jay Horton as "Roderick II" in "The Long Christmas Dinner", a one act play being presented at Antioch High School on Dec. 7.

the money previously paid, and adding a provision that Buena Terrace be blacktopped, curbed and guttered.

APPROVE WATER LINE

Boyd Osmond appeared before the board to complain that he had been denied a permit to install a 3/4" water line, hooked on the existing water main, to service the building on the southeast corner of Rt. 173 and 59.

Mayor Ray Toft pointed out that the village had just installed a new water line in the area, and that Osmond should hook to it with an adequate six-inch main. The building is without toilet facilities. Toft pointed out, which should be installed.

Osmond objected that work suggested by Toft would be too expensive. After considerable discussion, the Board voted to give Osmond the permit he had requested.

OFFERS ROLLER RINK TO VILLAGE

Charles Cermak, as agent for William Keulman, the owner, offered to sell the large building used as a Roller Rink, on Broadway to the village for \$65,000.

Cermak said there is need for a community center in the village. The building would serve the purpose, he said, in addition to providing valuable room for expansion of village facilities in the future.

The Fire Dept., the Rescue Squad, and the Municipal Building will all need to be expanded as the town grows, Cermak said. Other than the property in question, there is no place to go, he said.

Cermak said the additional space could even permit moving the police station and sale of the building now housing the police.

In the meantime, he said, the village could gain revenue by renting the hall to organizations and for teen age dances.

The Salvation Army requested permission to sell the special Christmas Edition of The War Cry door to door in the village during the four weeks preceding Christmas. The board approved a motion to allow them a one-week period.

An ordinance was approved by the board designating a Stop sign on Poplar Ave. at Winsor Drive from the west; and a Stop sign on First St. at Highland from the west.

Deaf Children Assn. To Meet Sunday

There will be a meeting of the Deaf Children of Lake and McHenry Counties Association of Parents and Friends on December 5th at 8 p.m. The meeting will be held at the Hainesville School only this one time. The school is on route 120 and junction 134 on the corner.

Speakers for the evening will be Mr. Robert Van Dyke and Mr. Billy Greer, who are resource teachers for the deaf. They will discuss the integration of deaf children in a regular class room of normal hearing children and what the role of the resource teacher is. A question and answer period will follow.

Miss Sarah Jane King will speak on the International Conference on Oral Education of the Deaf that she attended.

Total snow this season, 3.0"

REMARKS: I thought you might like to know the history of our weather station. Our location is 42° 29' N. latitude, 88° 6' W. longitude and the town's elevation is 770 feet above sea level. Weather records were first kept by J. C. James from July 1901 to March 1916 when George B. Bartlett took over until Sept. 1922. From 1922 until April 1941 we had no one at the helm, but Roy I. Kufalk took hold of the wheel and held on to it for 26 years until I took over in June of this year. I hope I can keep you informed on weather in the future as these men did in the past. If you have any questions on past weather, storms, number of zero days, etc., drop a note in at The Antioch News and I will try to get the answer for you.

INFLUENZA OUTBREAK AGAIN THIS WINTER

Don't put off that flu shot any longer.

Another epidemic of influenza is expected to hit this winter and—unless you're immunized—you may suffer needlessly.

Immunization is especially important for expectant mothers, persons over 45, sufferers of chronic heart, lung and kidney ailments, and those who live in close quarters—nursing homes and dormitories. These are the most susceptible groups.

If you have been immunized since July, 1963, you'll only need a booster dose this year. If you haven't been immunized since then, you will need two shots, ideally before January.

The new bivalent vaccine should offer even greater protection against current strains of influenza that previously has been possible. What if, despite all your precautions, you still fall victim to the flu? How do you recognize it? How do you treat it?

Flu is usually characterized by sudden chills, fever, headache, muscular pains, sore throat, dry cough, and nasal obstruction. If it appears to be a serious case, seek prompt medical attention.

If these symptoms appear only in a mild form, however, these tips might prove helpful during the recovery period:

Cubs Make Xmas Trees For Viet Nam Boys

Den 2, of Cub Scout Pack 80, Grass Lake, under the direction of their den mother, Luu Belz, recently delivered a box of fifty 12" cardboard Christmas trees to the Antioch Post Office for Project Viet Nam. Colorfully wrapped hard candies and gum were tied to the branches of each tree, so every Antioch boy now serving in Viet Nam will have a Christmas tree for Christmas. The Cub Scouts working on this project included: Terry O'Brien, Fred Malecki, Karl Kjellstrand, George Hermanek, and Eric Belz.

The regular Pack meeting will be tonight at Grass Lake School. Den 1, under the direction of Den Mother Joan Pitner, will present a skit pertaining to the theme, "Westward Ho."

Pack 80 committee men spent last week end at the Grass Lake Scout House, washing windows and walls and scrubbing floors. Those helping in the clean-up were Mike Wojnowiak, Bill Belz, Bob Flint, Ed Okresiek and Jim Okresiek.

All Dens are busy making making up Goodwill Christmas Baskets for the needy.

- * Rest in bed
- * Drink plenty of water and fruit juices
- * Eat lightly
- * Maintain body heat, especially during the sweating period.

If your temperature continues to rise or other symptoms become severe, medical attention should be sought immediately to avoid serious complications.

There are dangers of infection in the bronchial tubes and lungs from the flu and these complications can make you susceptible to pneumonia.

Saucy Steak Is A Snap To Prepare

Condensed onion sauce gives the gravy for beef round steak after the meat's been braised in it. That makes this saucy as well as snappy!

One whole round steak, or portions of the round, may be used, says meat expert Reba Staggs. If the market sells the round as bottom or top round steaks, one steak of each kind will give approximately the same amount, as will two of either. Soup will contain most of the seasonings, accented only with a bit of celery seed and chili sauce.

SAUCY STEAK

1 Beef round steak, cut 1/2-inch thick

1/4 cup flour

1/2 teaspoon salt

1/2 teaspoon pepper

3 tablespoons lard or drippings

1 can (10 3/4 ounces) condensed onion soup

1/2 cup water

1/2 teaspoon celery seed

2 tablespoons chili sauce

Mix together flour, salt and pepper. Pound steak with seasoned flour to 1/4-inch thickness. Cut into serving pieces. Brown in lard or drippings. Pour off drippings. Add onion soup, water, celery seed and chili sauce. Cover tightly and simmer 1 1/2 hours or until meat is tender.

It does little to further the cause of safety if the parent tells his child not to cross in the middle of the block and then violates this important safety rule himself. Remember, children are much more apt to forget what you say than what you do!

Mr. and Mrs. Roger Van Patten

McIrvin-Van Patten Wed In Colorado

Saint Luke's Episcopal Church in Fort Collins, Colorado was the setting for the October 21 wedding of Miss Carolyn McIrvin of Cope, Colorado and Roger Van Patten of Antioch.

The bride is the daughter of Mr. and Mrs. Carl McIrvin of Cope and the bridegroom's parents are Mr. and Mrs. Laurel Van Patten of Antioch.

The double ring ceremony was performed by the Rev. Edward Ostertag in an altar setting of standing baskets of white glads, pompons and pin carnations.

Preceding the ceremony, Trent Ellis, organist, played selected wedding music as Miss Neida McIrvin, sister of the bride, and Miss Mardi Crawford sang, "The Christian Wedding Song," and "Wedding Prayer" during the ceremony as the couple signed their marriage license.

The bride, given in marriage by her father, wore a floor length gown of white satin crepe and lace, fashioned with a draped skirt with a front panel of lace ruffles and featuring long tapered lace sleeves and a fitted bodice with a scalloped neckline which was resigned and made by the bride.

Her floor length train was also of lace ruffles and her elbow length bridal veil was held by a pillbox crown of lace roses. Her bouquet was a cascade of white fuji mums with garland red roses on her white Bible. Her jewelry was a string of pearls, a gift from the bridegroom and she wore a watch that belonged to her maternal grandmother carrying out the traditional something old, new, borrowed, blue, and a six pence in her shoe.

Miss Marilyn McIrvin was maid of honor for her twin sister and Miss Joyce Vandana and Miss Jenger Cole, college friends, were bridesmaids. All were attired in street length empire dresses of white lace over turquoise satin fashioned with A-line skirts. Their headpieces were turquoise pillbox hats topped with a medallion of lace. Each carried a long-stemmed American Beauty red rose.

Little Miss Teresa Baxter, daughter of Mr. and Mrs. George Baxter of Briggsdale, Colorado, was flower girl. She wore a matching dress in style and color of the other attendants and carried a long-stemmed American Beauty red rose from which she plucked the petals as she preceded the bride down the aisle.

Jeffery Van Patten, nephew of the bridegroom, was dressed in a dark suit, carried the rings on a white satin pillow.

Forrest Stahmer of Antioch, served as best man and groomsmen were Merlin and Maynard Queen of Crook, Colorado. The groom wore a tie-tac with a Hematite setting, a gift of the bride. He and his attendants were all attired in black tuxedos, with American Beauty red rose boutonnieres.

Ushers were Gary Walker of Denver and Jerry Van Patten, brother of the groom. The bride's mother wore a rose pink dress with navy accessories. The bridegroom's mother chose a metallic green suit with olive green accessories. Their corsages were of white roses.

Special guests of the bride were her grandparents, Mr. and Mrs. Rex McIrvin of Cope, Colorado.

Following the ceremony a reception was held in the church parlor. Miss Donna McIrvin, sister of the bride, was in charge of the guest book. She was attired in a dress of turquoise embossed satin and lace medallion headpiece identical to the vocalists' which were also designed and made by the bride.

Serving the punch was Miss Patsy Johnson, college friend of the bride. Mrs. Shari Hielscher and Mrs. Kay Call, also college friends, served the chocolate wedding cake.

Presiding at the gift table were Miss Julie Wernsman and Miss Jan Yost.

For her going away attire the new Mrs. Van Patten fashioned a blue cotton shantung dress with white feather roll trim and white accessories.

After a short honeymoon the couple are at home in Antioch. The groom is employed at Fansteel Metallurgical Corporation in North Chicago.

Legion Auxiliary

By Del Jahneke

On December 4th, 5th and 6th, volunteers are urgently needed to wrap Christmas gifts for hospitalized veterans' families, at Downey Hospital, in the Volunteers' room, Building Four, from 9 a.m. to 4 p.m.

One of the happiest days for hospitalized veterans in veterans' administration and State hospitals in Illinois is provided by the American Legion Auxiliary through the Christmas gift program.

The "Gifts for Hospitalized War Veterans" Program of the American Legion is familiar to everyone, but some of these same veterans have families and no means of remembering them with gifts for Christmastime. The Auxiliary takes care of that!

With the same enthusiasm and ideas for decorating their own homes for the holidays, hospital volunteers turn a recreation center into a gay Christmas Shopping Hall.

On shopping day, a veteran may select a gift for every member of his family from the gifts on display. He is sure to find a suitable gift for the display includes everything from cuddly toys for toddlers to purses for mothers. After making his selections, the veteran signs gift cards to be enclosed. A volunteer makes a gaily wrapped package of each gift, then wraps it for mailing—all at no cost to the veteran. The Downey Hospital Christmas Gift Program is only one of the many similar volunteer services offered in all state and VA hospitals. Funds to support this program are donated by Auxiliary Units throughout the state.

Mrs. John W. Horan, Jr., Antioch Rehabilitation Chairman states that the Antioch Unit has already made a generous donation to this program. Members wishing to work at this Christmas gift shop, should contact Mrs. J. W. Horan, Jr., or Mrs. Frank Gates, Waukegan, District Rehabilitation Chairman.

The Antioch American Legion Auxiliary will be holding their Christmas pot-luck supper party on December 8th, at 6:30 p.m., at the Antioch Legion Home. The Antioch Legion and their wives, and the Auxiliary members' husbands are all invited guests. There will be a \$1.00 Christmas gift exchange; a short business meeting; and card games will be played the remainder of the evening. The hostess committee is Mrs. Bernard Stadick, chairman, and Mrs. Nason Sibley, Mrs. Lena Messing, Mrs. Estelle Gatch, Mrs. Betty Mortensen, and Mrs. Elsie Hays.

There will be the annual 10th District American Legion and Auxiliary Child Welfare Christmas Gifts Presentation to the four Lake County Children's Homes (Lake Villa Central Baptist Children's Home; Arden Shore Home; Lake Bluff Orphanage, and the Allendale School for Boys) on December 9th. Co-chairmen John Jones, North Chicago; and Mrs. William Franzen, Libertyville, request all Post Commanders, Unit Presidents, and their respective Child Welfare Chairmen to be at the Lake Region's Legion Home in Fox Lake, at 9:30 a.m. Promptly at 10:00 a.m. "Santa" and his red sleigh (courtesy of the Lake Region's Post) will start their visits to the four Homes. Mrs. Bernard Stadick, Antioch Unit President, and Mrs. Walter Hills, Unit Child Welfare Chairman, plan to be in attendance.

Antioch Woman's Club Welcomes New Members

At a recent meeting of the Antioch Woman's Club Board it was agreed that the club would donate \$5 to the Illinois Cottage of the Park Ridge School for Girls. Mrs. George Hahn was appointed as new membership Chairman and the Board Members voted to help the Post Office wrap packages for our boys in Viet Nam. Mrs. Clarence Spiering will serve as chairman of this project.

Following the Board Meeting, Mrs. Joseph Horton, President, called the regular meeting of the Antioch Woman's Club to order. Guests and new members were welcomed. New members included Mrs. Clarence Geisler, Mrs. LaVergne Newton, Mrs. Homer Fowles, Mrs. George Bayrd and Mrs. William Schroeder.

Mrs. Donald Purdy gave a report on the very successful Holiday recordings made for the boys in service by their families. Seventeen records were made. Mrs. William

Murphy, Program Chairman, introduced Mary Gordon, TWA Travel Adviser, who gave a very interesting program on packing for a trip abroad.

The next meeting of the Antioch Woman's Club will be a Christmas Program, Dec.

4 at the Scout House. Members are asked to bring a \$1 gift for the Grab Bag, if they wish to participate. Mr. Ralph Brooke will sing a selection of Christmas songs. The Hostess Committee will include: Chairman Mrs. Norman Jedeke; Mesdames R. H. Lorenz, Jr., Miss Marguerite Snider, Raymond Bruhn, Harry Lubeno, A. H. Kaufmann, O. W. Turner and Joseph Patrovsky, Sr.

"Heidi" At PM&L Dec. 2, 3, 9 & 10

As the holiday season draws near, PM&L Theatre group is again preparing their annual Christmas treat for the younger generation of the Antioch area. This year's holiday production is *Heidi*, based on the beloved children's novel by Johanna Spyri and dramatized for stage by Lucille Miller.

Heidi, directed by Valerie Hunley, will be presented at the PM&L Theatre, 877 Main Street, Antioch, at 2:30 p.m. on December 2, 3, and 9, and at 7:30 p.m. on Sunday, Dec. 10th.

Not only does *Heidi* have a great cast for the children's production so far, given by PM&L, but the children are going to be particularly fascinated by the animal members of the cast—one goat, two kittens, and a turtle. The goat, Little Swan, has a tendency to eat everything available (including the cheese and bread which are props in the play) and the kittens have absolutely no sense of stage directions.

Several other interesting sidelights are unique to the production. The cast has already successfully opened in Mundelein High School at a guest performance and was received with great enthusiasm by approximately 500 youngsters. The past week the set used for this production had to be adapted for the much smaller PM&L stage.

Sounds of yodeling will be heard frequently throughout the play. Heidi, Peter and Alm Uncle have to be especially proficient in this art and the entire cast joins in at the end. Lila Palinski, well known as a singer and yodeler in this area, has been yodeling instructor for the cast. It's been fun and hard work for all of them!

Both children and adults make up the *Heidi* cast. Pamela Hunley will play Heidi December 2 and 10. Carrie Lou Shephard will take the part December 3 and 9. Kathy Walpole will be Clara Seseman on December 2 and 9, and Mary Palaske will have the role December 3 and 10. Bill Gaa will play Seppi December 2 and 10 and Bobby Hunley will play Seppi on December 3 and 9.

Other members of the cast are Dr. Al Ramsay as Alm Uncle, Dave Bushnell as the minister from Dorfli, Dan Saliba as Peter, Dee D'Isa as Deter, Mary Beth Vaughn as Brigatta, Shirley Jensen as Peter's grandmother, Elda Minger, Garnet Oddsen as Fraulein Rottenmeier, Henry Apostol as Mr. Seseman, and Lou Parker as Madame Seseman.

Tickets are available at the General Store, the PM&L box office, or reservations can be made by calling 395-3613.

Mr. and Mrs. Joseph Horton, Antioch, held a combination Birthday and Thanksgiving Day dinner party at their home. Mr. Joseph Horton's birthday falling on Thanksgiving brought about this celebration. Guests present were: Mrs. Effie Nelson; Mr. and Mrs. John V. Horton and family; all of Antioch; Allan Lewis, Fort Sheridan; and Mr. and Mrs. Lowell Smock of Trevor, Wisconsin.

Mrs. Samuel Ries had the Bernard Stadick family; and Mr. and Mrs. Fred Klem of Kenosha, Wis., as Thanksgiving Day company at her home.

Mrs. Frank Kennedy Sr., just returned home from a weeks holiday at her son James home in Toledo, Ohio.

The F. A. Swenson family, Deep Lake Road, had a "full house" on Thanksgiving Day, with the Francis Swenson family of Milton, Wisconsin; and the George Swenson family, Grandwood Park, as their family guests. The preceding Sunday, the F. A. Swenson's entertained Mr. and Mrs. Roy Swenson, Camp Lake, Wisc., and the Lester Zitkus family of Antioch, with a dinner and nice visit afterwards at their home.

The Ray Lasco family, Rte. 173, enjoyed their Thanksgiving Day dinner at Mrs. Lasco's parents home, that of Mr. and Mrs. Harry Finner of June, Wisconsin. Also present were the Ken Finner family of Sloughton, Wisc.

Mrs. Lois Peterson of Chicago, formerly of Antioch, entered a Chicago hospital for surgery on November 29. Her many friends in the Antioch area wish her a speedy recovery.

The Reverend Isaac Scherpenisse and Mrs. Scherpenisse of Hudsonville, Michigan, were welcome visitors at their daughter's home, the Ken Smouse family of Antioch, for the entire Holiday week. On Thanksgiving Day, the Smouse's and their company were guests of Mrs. Wilbur Smouse, Mr. Ken Smouse's mother, at Marseilles, Illinois.

MOOSE TOPICS

By Lillian Birdsell

The Antioch Moose Ritual Team performed the enrollment ceremony for the seventeen new members on Saturday evening, November 25th. Eight of the new members were all sponsored by Ray Edwards, Sr. They are as follows: Richard Leo Moran, Allen Horton, Gene E. Rudolph, Thomas Thiesen, Thomas C. Petersen, Robert Anzinger, William S. Robis and Donald E. Donnelly.

Others enrolled are: Leonard Kelly Cox, sponsored by Charles Auxier Jr.; Joseph H. Cassare by Jerri Salemi, Theodore Cichon and Russell Nelson both sponsored by Ed Kurtz, Barry Schaefer by Don Hartmann, John Martin Stack by Robert Pitner, and Julian J. Dziki by Mike Phillips. Pieri J. Claessens became a new member of the Antioch Moose by a transfer from South Highland No. 920. A smorgasbord, prepared by the Women of the Moose, was served to the members following the enrollment ceremony. The next enrollment for the Loyal Order is planned for Saturday evening, Dec. 9, at 8 p.m.

The Winner Legion No. 74, Legion of the Moose, will be having a ceremonial at the Racine Moose Home on Sunday, Dec. 3 at 2 p.m. This ceremonial will be honoring Joe Laurent and Viggo Petersen for their 50 years of service to the Winner Legion. Special guest will be Jerry Gonnering, Deputy Grand North Moose. All Legionnaires, Fellows and Pilgrims are asked to please wear their regalia and all Legionnaires and their ladies are invited to attend. A family style dinner will be served following the ceremonial.

An award will be given to all Legionnaires who sponsor 5 new members into the Legion. The award is a shimmering golden ball which contains a music box playing the theme song of Mooseheart. An ornament that will add a gay, festive touch to any home for the holiday season.

The Hunting Club of the Antioch Moose is also repeating their contest of last year for the longest Pheasant's feather turned in. Last year Jim Green was the winner and he received a jacket for his efforts. The contest started on the opening day of the pheasant hunting season and will end at the close of the hunting season. All members should turn in the pheasant tail feathers to the lodge for qualification in this contest. A meeting for the members of the hunting club will be held at the Antioch Moose Home Thursday, (tonight) Nov. 30, at 8 p.m.

Missionary From Paraguay At Antioch Church

The Duane Stous family, missionaries to Paraguay, will visit the Evangelical Free Church of Antioch for the regular Sunday evening service at 7:00 p.m., Dec. 3, and at the monthly singsspiration following the evening service.

Mr. Stous is chairman of the Field Committee of the New Tribes Mission, Paraguay. This Mission specializes in working among Indian tribes not otherwise being reached by evangelical missionaries. Most of the tribes speak unwritten languages and they are sometimes savage and difficult to reach. He was also chairman of the committee named by the American Bible Society to translate the New Testament into Guarani, the original language of the country and still spoken by most of the people outside of the Capital, Asuncion. This translation is now complete and will be published this year.

Mr. Stous will speak at the evening service and three of their daughters will play and sing several typical songs and hymns of Paraguay. Lynette and Carol play guitars and Cherrill plays the harp. The instruments were made in Paraguay.

The public is invited to attend.

When you can think of yesterday without regret, and of tomorrow without fear, you are on the road to success.

Beach Grove News

By Del Jahneke

The Emmons School, Beach Grove, Parents Club will be holding a pre-Christmas meeting and party on Tuesday, Dec. 5, at 8 p.m. at the Emmons School. Miss Orri Frazier, the acting case worker supervisor of the Lake Villa Central Baptist Children's Home, will be the guest speaker. Miss Frazier's topic will be "Is There Room in the Inn?"

There will also be a Christmas Bazaar, held for the benefit of the school's athletic fund. The ladies will have a "cookie exchange" of home-baked favorite recipes. Another agenda for the evening will be a "kitchen show" to replenish dwindling supplies. The first and second grade mothers will be the hostesses for this unusual and fun-filled night.

Mr. and Mrs. Joseph Danae and Mr. and Mrs. Thomas Jacobsen, all of Beach Grove; Mr. and Mrs. Dan Rodgers, Oakwood Knolls, and the James Ruhl family of Zion were among 50 guests attending a surprise birthday party for Mr. George Jacobson, Sr. (Mr. Tom Jacobson's father) at the home of Andrew Jacobson of Berkeley, Illinois, on November 18th. The presence of a friend of 50 year's standing, helped to make Mr. George Jacobson's birthday party a resounding success!

The William Moeller family of Salem, Wisconsin, entertained the senior Ed Jahneke's, Beach Grove; and Mr. and Mrs. Nick Grivas, Melrose Park; at a dinner party, on Sunday, November 26th.

Mrs. Thomas Jacobson, Beach Grove, and Mrs. Roger Brooks; Mrs. Arlene Rogers; Mrs. Milburn Rodgers, all of Antioch; were some of the local guests at a lovely baby shower, held in honor of Mrs. Don Rodgers; at the home of Mrs. James Ruhl of Zion; on November 12. The "mother-to-be" received many beautiful and useful gifts for the prospective new baby.

Mr. and Mrs. V. John Klein, Beach Grove, entertained with a family dinner, on Thanksgiving Day. Their guests were: Mr. and Mrs. Don Saunders, and sons David and Dennis, from Oak Lawn; Mrs. May Saunders, Oak Lawn; Mr. and Mrs. Richard Klemm and daughters, Cindy and Lisa Gay; Mr. and Mrs. John Rodikovit and sons Eddie and Steve; and Mrs. Klein's brothers, Mr. and Mrs. Verl Chezen, (all from Chicago); and Mr. and Mrs. Robert Chezen of Beach Grove.

COMPENSATION RATE DOWN

The average unemployment compensation tax rate is expected to reach the lowest point in Illinois history in 1968, Gov. Otto Kerner said. Declines in unemployment levels and consequent drops in benefit costs have permitted Illinois to reduce the average contribution rate of employers from 2.20 per cent of taxable wages in 1962 to .2 per cent in 1968.

"The reduced rates during the 1963-1968 period constitute a savings to employers of around \$650,000,000 in contributions," the Governor said.

Favorable employment conditions in Illinois helped to increase the size of the Unemployment Compensation Trust Fund as a result of reduced claimant benefits. The fund totaled \$564,498,000 on June 30, 1967, an increase of \$9,930,000 over the previous year.

Teens Join Ranks Of March Of Dimes Volunteers

Teens join ranks of March of Dimes Volunteers

"Each year more and more teens join the ranks of March of Dimes volunteers in the fight against birth defects," said John S. Dean, general chairman of the 1968 Metropolitan Chicago March of Dimes campaign. The special teen-fund-raising activity is scheduled for Saturday, January 6 at the beginning of the March of Dimes month-long appeal. That day teens will be standing at store entrances and on street corners in suburbs of Cook, DuPage and Lake Counties, requesting donations for the March of Dimes, and giving tiny blue crutch lapel pins to donors.

Dean reported today that organization for the Blue Crutch Day project is now building and that a teen chairman has been selected to oversee operations in the three-county area. Dean said, "The girl who will be heading the Blue Crutch Day appeal has already demonstrated her leadership ability. Shirley Serini, a senior at Elk Grove High School, is a member of the Student Council and chairman of the

Student Relations Council. Shirley is also a news and feature writer for the school newspaper, and was recently selected by Paddock Publications to join an elite group of student journalists who will contribute to the news chain's "High School Highlights" section.

In accepting the appointment, Shirley commented, "It's a simple fact that a quarter of a million Ameri-

can children each year are stricken with birth defects, and that doesn't mean just infants born color blind or with missing fingers. It means infants with missing arms and legs, or with "mongoloid" characteristics, or with severe intestinal defects that prevent them from receiving nourishment they need to survive, and hundreds of other tragic defects. If the March of Dimes is going to wipe out birth defects the way it wiped out polio, it has to have the help of more volunteers and the contributions of a more generous public."

As teen chairman, concluded Shirley, "I plan to do my part, and I also intend to get everyone I know and a lot of people I don't know to do their part, too."

"Street Markings Are For Your Safety" is the theme of the November school safety poster being sent by the Chicago Motor Club to more than 45,000 grade-school classrooms in Illinois and Indiana. Motorists as well as youthful pedestrians should be alert to all marked cross walks. The driver should consider a cross walk a point of potential danger, because the two white (or in some localities yellow or green) lines mean this is a point of heavy pedestrian traffic. School children are taught to use crossing points that have marked cross walks in their travels to and from school. The motor club also suggests that parents fortify this training by reminding children also to use marked cross walks during their evening and weekend playtime.

Museum Slates "Christmas Around The World" Festival

One of Chicago's most popular and widely copied Yuletide celebrations—the annual "Christmas Around the World" festival at the Museum of Science and Industry—will be presented for the 26th consecutive year, beginning Saturday, November 25, and continuing through New Year's Day.

The festival, which annually attracts several hundred thousand spectators and which this year features the native holiday customs of 19 countries, will be presented in three forms:

On view during the entire period, in the Museum's central rotunda, will be a forest of giant Christmas trees, each decorated to reflect the Yuletide traditions of a different nation. There will also be creches for these countries, like Italy and Ireland, where the Christmas tree custom has never been accepted.

The festive task of decorating the trees started early on Thanksgiving Day by delegations from Chicago's many foreign language groups. Many will be dressed in the native costumes of their individual fatherlands.

Pageantry, folk music and native dancing will entertain Museum visitors one or more times daily from December 2 through 17, when the various ethnic groups, each on a specified date, reenact the holiday festivities peculiar to their particular countries. Admission to all such programs is free, as is admission to the Museum, itself.

Presented by educational, religious, civic and fraternal organizations from all over the Chicago area, the programs will portray the backgrounds of national heritages brought to the United States by immigrants, and the resultant wealth of Christmas lore to which the United States has fallen heir.

These stage presentations, to be given in the Museum's 1,000-seat, main auditorium, will be offered Mondays through Fridays at 7:30 p.m., and on Saturday and Sunday at 2:00, 3:30, 5:00 and 7:30 p.m.

Between the Museum's regular closing hour at 4:00 p.m. and the evening program hour, portions of exhibit floors will remain open

to visitors. In the dining rooms, between 5:00 and 8:00 p.m., Christmas dinners featuring the national dishes of countries represented by the day's programs will be served.

The dates on which the Christmas customs of various countries will be individually featured in stage presentations follow: Saturday, Dec. 2, Czechoslovakia; Sunday, Dec. 3, Poland; Monday, Dec. 4, Ukraine; Tuesday, Dec. 5, The Netherlands; Wednesday, Dec. 6, Great Britain; Thursday, Dec. 7, Slovenia; Friday, Dec. 8, Germany.

Saturday, Dec. 9, Italy 2:00 p.m.; and Lithuania, (3:30, 5:00, 7:30 p.m.) Sunday, Dec. 10, Mexico; Monday, Dec. 11, Ireland; Tuesday, Dec. 12, France; Wednesday, Dec. 13, United States; Thursday, Dec. 14, Armenia; Friday, Dec. 15, Denmark; Saturday, Dec. 16, Norway, 2:00 p.m.; Luxembourg, 3:30 p.m.; Japan 5:00 & 7:30 p.m.; Sunday, Dec. 17, Sweden.

"Sesqui what?"

Sesquicentennial...150 years of Statehood. That's what Illinois will be celebrating from Dec. 3, 1967 to Dec. 3, 1968, inclusive. Really celebrating...with a year-long series of special events extending into every county, city, and hamlet in our state.

We'll have more than 1,000 events ranging from pageants and plays, to spectacles and sports events to fairs and fish fries. Their common purpose is to remind ourselves and the world of our great heritage.

Recalling that heritage, we'll become better acquainted with world-renowned Illinoisans and their accomplishments. Abraham Lincoln. Jane Addams. Cyrus McCormick. Carl Sandburg. Adlai Stevenson. You may even begin to realize what these people, and many others like them, had in common: a pioneering spirit that flourishes among the people of Illinois even today.

How else could the "Prairie State of Old" have become the Main Office of the Midwest, hub of the nation's transportation system, national leader in exports, and one of the cultural and educational centers of the world?

When you think about it, Illinois has quite a lot to celebrate.

Shadrach who?

Illinois. Or you can call or write: Illinois Sesquicentennial Commission, 101 East Ontario Street, Chicago, Illinois 60611, phone (312) 944-1968.

There, now you'll never again have to ask, "Sesqui what?"

And we're going to celebrate in lots of important ways. One way will be the coast-to-coast broadcast of an hour-long TV special. Another will be a new documentary film reflecting the heritage of our state. This will be seen by school children, religious organizations, civic clubs and other groups. Still another will be an official historical play, written and produced to tour the state especially for the Illinois Sesquicentennial.

We'll have concerts, receptions, touring exhibitions, creative writing and art competition, too. And that's only part of what we call our Sesqui '68 celebration.

To learn more about the events of Sesqui '68, or about "Shadrach" (Shadrach Bond, first Governor of Illinois) call the Illinois Sesquicentennial Commission number at Springfield. It's 800-252-9468 and it's free for any phone subscriber in

Brings Home Deer Meat

Russ Lasco, Antioch, returned from a deer-hunting trip to the Iron River area in Michigan last Saturday with a 110-pound doe that he bagged in record time.

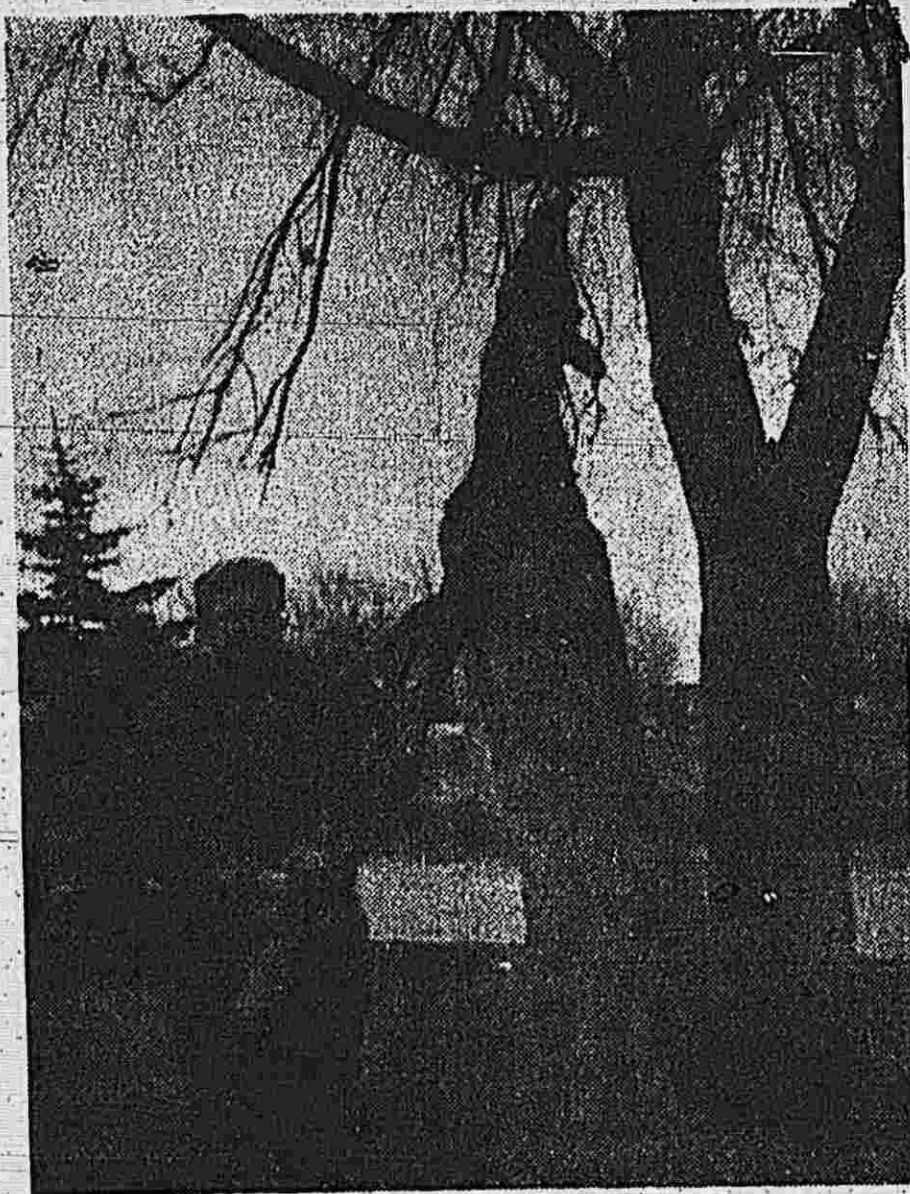

He and five other men were in the group, and all had shot their deer in less than four hours. They were hunting about 15 miles east of Iron River, Russ said.

Deer were plentiful, Russ said, and most hunters were getting their deer. Russ bought a place in the area last June, assuring himself of a place to hunt.

Two of the men in his party had bad luck and returned without their deer. It was the first deer-hunting trip for the two, and after field-dressing their kill they drove to town. While they were gone, their deer were cut down and stolen.

Russ said most of the

hunters seemed to be careful and there were few accidents. However, he said, one hunter was careless while unloading his gun and shot his son in the leg. Hunters in the area also found two hunters dead in their car, overcome by carbon monoxide fumes. However, the men in his group returned without accident.

Russell Lasco Sr. brings home the deer — a 140 lb. doe shot near Iron River, Michigan on Nov. 18.

Gordon Sill Makes Plans For 1968 Season

Waukegan, Ill. — With a 1967 season of cold and wet weekends now history, promoter Gordon Sill, of the Waukegan Speedway, is already preparing for the 1968 season of Saturday and Sunday night racing. Sill plans to open on Saturday nights with modified stock car races early in April and then add Sunday nights several weeks later.

The past season's April 15 opener drew the largest crowd in several seasons to Waukegan. Reflecting on this Sill says, "We hope to get several more April dates in this coming spring. Barring a very severe and long winter, the track and grounds will be ready to go in early April. The definite opening date will be announced at the drivers' meeting, Friday night, March 1.

The 1968 drivers' meeting will be held at the Northshore Resort which is located one mile west of Route 83 on North Avenue near Antioch. The rules for 1968, which closely parallel the 1967 rules, and the season's schedule will be discussed and numbers will be assigned to members.

Complete information about the Waukegan opener can also be obtained by phoning 663-8200 after April 1. This is the automatic answering service for the Speedway and this will mark the third sea-

son of use at Waukegan. Throughout the season, the recorded message is constantly updated with information about the next night of racing, results and track and weather conditions.

For the April opener the entrance road from Washington Street to the Speedway will be in the best shape ever as Sill has raised the entire road over four feet since last spring. Further improvements and a new surface are expected to be added to the road before the 1968 inaugural.

Sill also dispelled all rumors that Waukegan's quarter oval was about to be paved. Since the close of the season Sill has imported over 550 yards of clay and has completely resurfaced the track and made drainage improvements in the pit area. A survey last summer indicated the race fans definitely preferred clay racing to the asphalt version.

The 1968 weekend stock car racing season at Waukegan will include modified, late model and hobby stock events plus several Volkswagen events and bonus demolition derbies. The past season saw 441 stock car events presented with 110 different winners. There were seven different modified winners in 18 features, 11 different late model winners in 25 features and 18 hobby stock main event victors in 35 races.

If a feature winning average were to be computed for all divisions at Waukegan similar to a batting average in baseball (the driver's number of feature wins divided by the number of feature races), Jim Cossman would come out the leader of all divisions.

1. Jim Cossman, late model No. 1) .360
2. Whitey Harris (Modified No. A24) .263
3. Roger Von Otto (Modified No. 6) .210
4. Bob Klemm (Hobby Stock No. 01) .200
5. Jim Couch (Hobby Stock No. 99) .171

But even Cossman's nine wins in 25 features is not an overwhelming domination over his competitors, which points out the close competition last season at Waukegan. Many speedways find their "big guns" running off with over half of the feature checkerboard. Present indications forecast the 1968 season to produce the same brand of wide open competition with evenly matched races.

Traffic hazards are increasing each year for both the driver and the pedestrian. This is especially true for the child playing or walking near the home or school. Because children spend a great deal of time playing, it is more important than ever for them not to play in the streets and learn the safety rules at an early age.

Sequoits Lose 2 Games In 4th Quarter Fri., Sat.

Antioch played good basketball on Friday in the Barrington Tourney against Batavia and fine basketball on Saturday evening against a veteran Mundelein team. Each time Antioch went down to defeat, due to a 4th quarter rally by both Batavia and Mundelein. In each game, the young Sequoits rallied in the third quarter only

to run out of gas in late fourth quarters.

The tournament was of great value to the young team, giving them much experience and chance to experiment with personnel. The rebounding improved, but can improve a great deal more, with the juniors getting a better understanding of varsity competition.

Outlook for the Sequoits is bright—there were many encouraging points during the tournament and the team will be ready for their conference opener at Lake Zurich on Friday. The North Chicago game will be at Antioch on Saturday evening. Sophomore game time 6:45; Varsity game time about 8:15 to 8:30 p.m.

Pflueger Sparks Salem Team to 6-Point Victory

Salem beat Antioch as Pflueger, 6' 7", lead the Falcons to a six point victory. The Sequoits lead during the first half, but played most of the half without their returning regular, Steve Miklautsch, as he picked up three fouls early in the first quarter.

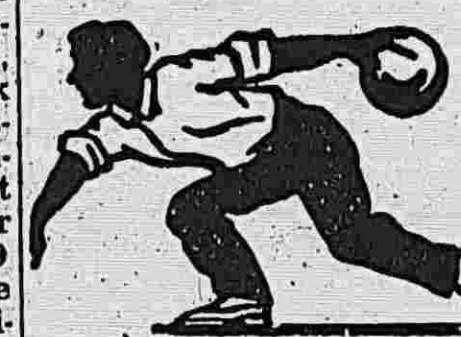

Due to some fine plays by Bill Smith and Dave Camp, the Sequoits enjoyed a 24-21 lead at the half.

In the third quarter, Salem outscored the Sequoits 18 to 7, thanks to the play of Pflueger and Johnson. Salem started to play some basketball with Bill Smith hitting on three baskets, and the Se-

quoits closed the gap to 44-43, but that is as close as they got, as the Falcons then finished strong to win out 51-45. The Sequoits missed six free throws in the final quarter and that also contributed to their downfall.

Sophs Still Looking For Cage Victory

Due to lack of experience and speed, the sophomores have posted a 0-5 record thus far this season. However, the team has shown marked improvement with each succeeding game, and except for an opening 78-45 loss to McHenry, has been in contention in every game.

The members of the squad, coached by Gee Lischewski, are (guards) Wayne Simon, Jim Weiss, Tom Tossey, Greg Shearman; (forwards) Ross Houle, Dan Sterbenz, Ted DeBoer; (centers) Jim Polley, Bill Albano, Dave Rogers, Dave Longly; and (manager) John Schremsner.

Their second loss came at the hands of Salem Central last Wednesday night.

Resident Tells Memories Of Fire At Iroquois

Mrs. Earl J. (Elsie) Hays, well-known in Antioch for many years, was the subject of a recent "Front Views & Profiles" article by Kay Loring in the Chicago Tribune. The occasion for the article was Elsie's memories of her first-hand experiences in the fire at the Iroquois Theatre in Chicago.

It's difficult for anyone who knows Elsie to think of her as being old enough to have memories of that disastrous fire. However, Elsie says she was 14 years old at that time (1903).

She was Elsie Hatton at the time, a granddaughter of George W. Goodrich, a former stage manager at the Chicago Opera House. Elsie's aunt, Charlotte Goodrich, was a wardrobe assistant at the Iroquois Theatre. She had taken her niece to the theatre that day to watch the play, "Bluebeard", from the wings.

Elsie saw the fire start when a spark flew from a carbon light and ignited a piece of scenery. She rushed

ed, downstairs to tell her aunt there was a fire.

An actress in the dressing room heard Elsie tell about the fire on stage, and called the others to leave, and everyone in the basement

At Conference Of School Boards And Administrators

More than 5,500 school board members and administrators from throughout Illinois met in Chicago, Nov. 19, 20 and 21, at the joint annual conference of the Illinois Association of School Boards and the Illinois Association of School Administrators.

Mr. and Mrs. Harold Romaine and Mr. and Mrs. Richard Harland represented local schools at the conference. Mr. Romaine is the principal of Oakland School. Mr. Harland is the president of the Board of Education of District 34.

dressing rooms started to crowd out of the theatre. All was confusion outside the theatre. They were taken to a store next door to the theatre and from there saw bodies being carried from the fire and loaded onto all available transportation. The fire took 602 lives.

Elsie remembers that she wanted to attend the hearing that was held after the fire, but she became ill with the mumps and was unable to attend.

For many years, a yearly "reunion" of those who were at the theatre at the time of the fire was held. Elsie only attended a couple of them.

She heard from many old friends she had lost track of years ago as the result of the story in the newspaper. She still shudders, she says, when she thinks of the fire.

If nobody ever said anything unless they knew what they were talking about, a ghostly hush would descend upon the earth.

Salvation Army Helps Santa

The Salvation Army has put finishing touches on its prison "toy lift" project. Gaily wrapped Christmas gifts will be on their way to 1,290 children of inmates at the Joliet Stateville Branch of the Illinois State Reformatory for Women at Dwight. The inmates went "shopping" in a special Salvation Army Toy Shop. About three dozen sample gifts, each with a key number, were displayed in the special toy shop in the prisons. The inmates selected a gift for each of their children and wrote personal name tags for the youngsters.

The Salvation Army bought

the gifts wholesale and arranged for gift wrapping on a large scale, through the assistance of 100 women volunteers from the Telephone Pioneers of America and The Salvation Army Women's Auxiliary.

Brigadier William Kish, general secretary of the Army's Northern Illinois Division, and Mrs. Kish were in charge of the project.

"It means a lot to a man or woman to know someone cares enough to be concerned about family relationships," said Brigadier Kish. "I don't know if the toy lift does more for the children or the prisoners."

OF COURSE

Porter: "Did you miss the train, sir?"

Running passenger: No, I didn't like the looks of it so I chased it out of the station."

we care

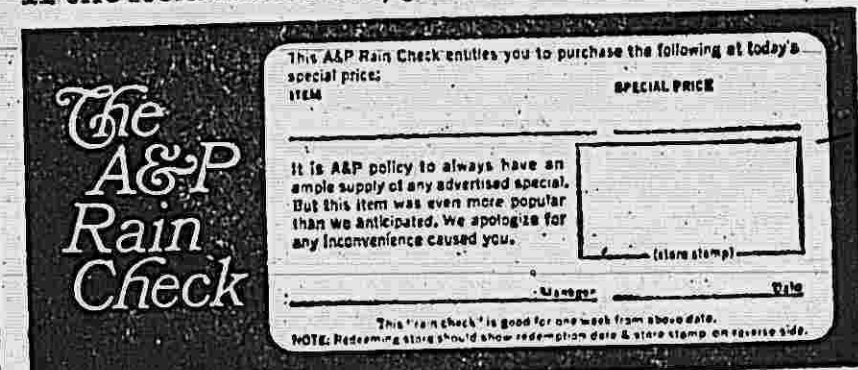

**we never
"run out"
on a sale!**

We never advertise a special sale item unless we have an ample supply. Once in a great while, the special is more popular than we imagined. So occasionally, we do run out of the item.

But we never "run out" on a sale.

If the item is sold out, just ask the manager for a "RAIN CHECK".

An A&P Rain Check is a certificate that entitles you to buy the item at the same special price, the following week.

We think that's the fair thing to do. We think that shows "WE CARE".

Not every store can care that much. A&P can... and does.
Shouldn't A&P be your store?
